

Title:	6.19 Garda Vetting Policy		
Applies to:	All Employees Permanent and Temporary & all Volunteers		
Applies from:	February 2021		
Responsibility for Review:	Director of People & Transformation	Reviewed date:	September 2024
Review carried out by	Patricia Forde, Andrew Jackson, Caroline O' Sullivan.		

Since the commencement of the National Vetting Bureau (Children and Vulnerable Persons) Act 2012 on the 29th April, 2016, the ISPCC shall NOT permit any person to undertake relevant work or activities on behalf of the organisation unless a vetting disclosure from the National Vetting Bureau is received in respect of that person. Board Members are permitted to conduct Board business while undergoing the process for Garda Vetting.

All employees and volunteers will need to be re-vetted following three years. This is the responsibility of the Unit Supervisor for Volunteers. The ISPCC is committed to ensuring that the procedures and practices used in the recruitment and selection of employees and volunteers are fair, consistent and effective.

The organisation (and its representatives) will at all times comply with equal opportunities legislation and policy.

All candidates for a position will be treated equally, regardless of sex, marital status, family status, disability, age, religion, sexual orientation, race, colour, and membership of Traveller Community, ethnic or national origin.

All perspective employees and volunteers must receive favourable Garda Vetting and three positive references prior to commencing.

In no circumstances will any individual be allowed unsupervised access until all documentation has been received and in particular Garda Vetting.

Exclusion Clauses for Prospective Employees/Volunteers.

The ISPCC consider the following as reasonable grounds for the organisation not to proceed with either an interview or an appointment of an individual (for volunteer and employee positions) where that individual:

- Has been dishonest in their application and or Garda Vetting Form.
- Has been convicted of a crime that relates to the ill treatment or neglect of children, minors, vulnerable people.
- Has drug and or alcohol related charges, convictions, especially where there was evidence that children were involved.
- Has charges, convictions relating to the ownership, production, possession or distribution of child pornography.
- Is known to the child protection services where this knowledge would involve concerns about the candidate's suitability to work with children.
- Has a finding of 'confirmed' child abuse or neglect by the Health Services Executive but may not have attracted a criminal conviction. (There are three categories that the Health Service Executive can confirm abuse –
 - a. through a medical examination,
 - b. through an admission of guilt by the alleged perpetrator or
 - c. via a ruling of a court).
- Has serious driving related charges, convictions
- Has public disorder and/or assault related charges, convictions.
- Has damage to public property related charges, convictions, including larceny.

Has any other offence that in the organisation's opinion deems the person unfit to work with the ISPCC. (This would include crimes of deception, fraud, domestic violence, assault etc.).

2. Minimum Requirements re identity verification

When conducting Garda Vetting, the ISPCCC requires vetting subjects to present identification totaling **100 points** to ensure they are checking the correct person. At least one form of photographic evidence must be gathered.

Managers are responsible for verifying these documents before sending them to the liaison officer. The ISPCCC Garda Vetting Liaison will spot check GV and will not check each document sent.

Signed, dated and each ID checked against the 100 Point Checklist with the points used written on the ID copy.

In order to establish your identity for vetting purposes, an individual must provide documentary proof of each of the following:

- Valid Photographic ID to include name and date of birth
- Evidence of current address. (Statements from store cards/catalogue companies or Mobile phone bills are not acceptable)

Please note the following;

- Evidence of address provided must be dated within 6 months of the date of application.
- The name on the photo ID must match the name on your proof of address.
